BUONO ENTERS PLEA OF GUILTY

Admits Manslaughter in Connection With Killing of Sanfillipi

WILL BE SENTENCED SOON

That he was guilty of voluntary manslaughter was the admission of August Buono, accused of shooting down Calarego Sanfillipi at the rear of a McKean avenue barber shop, to the district attorney before the calling of the case at Washington Thursday. His sentence will be imposed within the next few days by the court but Buono will not be sent to prison for more than 12 years, as this is the maximum of the indeterminate sentence for a crime of the sort.

The Buono trial was listed for Wednesday, but owing to the pressure of work in connection with other trials in criminal court his case did not come up It was postponed until Thursday and the witnesses were again summoned into attendance. Then it was that agreement was reached in regard to the plea

The story of the case is well remembered. Buono accused Sanfillipi of attempting to steal his wife away and claimed that Sanfillipi jeered at him on the street. Then it is said Buono summoned Sanfillipi to the back of the McKean avenue barber shop and there is where the shooting occurred. Buono maintains that Sanfillipi threatened to shoot him. Sentence will be imposed within a few days by the court.

Among witnesses who were in Washington on the case were Chief of Police C. W. Albright, Policeman James Murphy, Coroner James T. Heffran, Deputy Coroner L. B. Frye L. Bertolotti and a sumber of Italians.

PERSONNEL OF DEMOCRATIC TICKET IS NOT YET CERTAIN

Not Yet Known Whether Cowen or Brownlee Will Get Nomination For State Assembly

Late developments from the Democratic primary of Tuesday leave it a question whether T. B. H. Brownlee of Washington, also a candidate on the Republican ticket, or J. T. S. Cowen of Roscoe is the third nominee for assembly on the Democratic ticket. There were no candidates on the Democratic ballot for assemblyman, and names were either written in or pasted on the ballot by the voters. George W. Risbeck, of Charleroi and David C. Vester of Washington are the other two Democratic nominees. Other nominees on the Democratic ticket are: Congress, William J. Mellon; national delegates, S. A. Barnum and R. W. Knox; state committeeman, S. L. Woodward; chairman county committee, W. H. Ecker With but one precinct missing the vote shows 1,447 votes for Knox and 1,339 for Barnum on the national delegate fight.

HUNGER STRIKE STORY IS DENIED; GIRL DISCHARGED

Miss Margaret Dandoy Freed of Charge of Larceny Preferred Against Her by Her Employer.

Miss Margaret Dandoy the Charleroi girl who figured in sensational stories Thursday in connection with a charge of larceny made against her and in connection with a supposed hunger strike, has returned home. It appears the stories concerning her hunger strike were unfounded, according to the explanation of her friends. Miss Dandoy accompanied Miss Anna Langon, who is president of the Catholic Women's League to learn something of jail conditions. While there Miss Dandoy was taken ill and hod to be removed to the matron's department, unable for the time to eat.

Manuel DeRoy, employer of Miss Dandoy made the accusation against her, but was entirely unable to produce any evidence whatever at the beginning of the hearing. It was not even necessary for Miss Dandoy to testify before Magistrate John A. Fugassi declared her discharged. DeRoy admitted her innocence.

D'SANDERS PROVES SHARP'S SUPERIOR

Charleroi Boxing Club Final Interesting—Preliminaries Furnish Excitement for Pug Fans in Next to Last Show of Season at Rink

In next to the last boxing show of the season here under the auspices of the Charleroi Boxing club Dick De Sanders of Pittsburg took the lead over "Banty" Sharp of Uniontown in what proved to be a decidedly interesting settoo Thursday night at the rink They fought the main bout, after some exciting preliminaries by clever mitt men.

DeSanders led Sharp all the way through, but Sharp showed himself an old hand at the fighting game and through his knowledge of science kept himself from punishment that a less versatile man would undoubtedly have received. DeSanders' gave evidence of his cleverness in each of the six rounds to such an extent that popular aproval gave him every round.

In the semi final Martie Henderson of Donora and Trixie Brennan of Pittsburg engaged in as pretty a fistic engagement as one could wish to see between light men. Their fight proved a good six round draw.

Mike Schultz of Pittsburg and Tommpy Phillips of New Castle were given credit with fighting the most interesting bout of the entire evening. It was what might well be considered a draw, the points being about even. Excitement reigned as they mixed it.

Young Pincho got a shade the better of Young Lewis of Speers in the curtain raiser. He fought hard. Lewis stood up well, but was not Pincho's match.

Announcement was made that the next show and the last of the season will be fought on Saturday, May 27, when Joe Dailey and Johnny Ray will stage the final. This promises to be a big attraction as both men are popular.

MINE SITUATION IS COMPLICATED

District Convention With District Officers Presiding Called May 25.

MANY MINES ARE NOW OUT

The situation between the officials of the District No. 5 United Mine Workers and the faction opposed to them has been further complicated by the district officials going the faction one better and issuing a call for a special convention to be held in Pittsburg on May 25. The meeting of a number of miners held in Charleroi last Sunday appointed a committee to call a special convention and have an international officer come here to preside. This request was sent to the international organization and Monongahela was designated as the place to hold the convention.

The strike situation is growing in proportion and many of the mines in the entire fifth district have suspended, following the lead of the miners of the Pitsburg Coal Company mines.

Those who have come out within the past few days are Dunkirk, Hazelkirk. VanVoorhis, Acme, Marianna and Ellsworth. The Ellsworth miners held a meeting and decided to join in the strike.

GREENE FINALLY TO GET RAILROAD

Long Dreamed of Line to be Built by Wheeling and Eastern Company

MUCH CAPITAL REPRESENTED

Application has been made at Charleston, W. Va., for a charter to incorporate a company which proposes to build the railroad that has been dreamed of for 30 years. The new road will open up Greene county by tapping its central and richest sections. The men behind the new Wheeling and Eastern railroad represent the largest manufacturing interests and strongest capital of Wheeling and the building of the new road is a certainty. Its completion will be rushed.

The proposed route of the Wheeling and Eastern railroad begins at Wheeling and runs east close to the northern boundary of Greene county turning south and running into Waynesburg. From there it goes east, following rather closely the eastern fork of Ten Mile Creek and onto the river. The road will cross the Monongahela river at East Millsboro and again turn further south. Two tunnels are included in the plans for construction.

Although there has been no announcement as to when the new road is to be started the first work will probably commence as soon as certificates are secured from the different counties through which it is to be built.

The surveys have been completed and only the details remain to be perfected, according to one of the most influential of the applicants.

The Hazel-Atlas company is largely interested in the new road, three of its biggest men being numbered among those who are behind the enterprise.

The list of names appended to the application for a charter includes the strongest companies in the Wheeling district. The list is as follows: J. M. Scott, president of the Wheeling Iron and Steel Company, Alexander Glass president of Wheeling Corrugated Iron company, J. J. Halloway, B. W. Peterson, C. N. and I. C. Brady of the Hazel-Atlas company, A. F. List, C. L. Hubbard, Wm. S. Stieffel, H. C. Ogden, Ed. Hazlett and E. C. Ewing.

WOMEN IN THE 1916 CAMPAIGN.

In several states of the Union, women will vote next fall in the presidential election. Democrats profess to believe that a great majority of the women will disregard the economic fallacies of the Wilson administration, its extravagance, the impaired public service, the violation of campaign pledges and the sacrifice of national dignity and will vote for Wilson on the theory that he "kept us out of war."

Men who thus delude themselves are doomed to disappointment. There may be a few women who don't notice the industrial depression into which this country was thrown by the tariff legislation of 1913; but they are few indeed. Most women know when their husbands or fathers are having a hard time to make a living. Many women are in business for themselves. In either case, they had very firmly impressed upon their minds in 1913-14 the disastrous effects of tariff laws that throw our markets open to the foreign producer who can undersell the American producer because of lower wage expenditures.

Most American women don't want American workmen forced to compete on an equality with the workmen of Europe and Asia. They believe in maintaining higher standards of living in the United States and they recognize the necessity for a protective tariff in order that this may be accomplished.

KNOX FOR THE SENATORSHIP.

One result of the primary election in progress today for which we do not have to await the official returns is the nomination of Philander Chase Knox as the Republican candidate for United States Senator. Mr. Knox receives the high compliment—and no less complimentary to the party of an unopposed nomination, says the Philadelphia Evening Telegraph.

There is no factionalism in this nomination. It carries no victory for any party leader or boss. It is in the broadest sense a Republican party triumph and a credit to the party in Pennsylvania which will be recognized throughout the entire country. Mr. Knox occupied a position which made a factional contention in his case impossible. He has been accepted by the whole party and all factions of it unite upon him as a man fit and worthy of the highest honors the State can bestow.

His election in November will not be in doubt and he will re-enter the Senate as one of experience, having served in that body before. Few men are better acquainted with the affairs of government, both domestic and foreign, than Mr. Knox. As Attorney General of the United States he was substaneially the first official to put teeth into the Herman anti-trust law—or perhaps to find that there are teeth in it—while as Secretary of State he maintained the foreign relations of the country on the highest plane of distinct and patriotic Americanism.

In returning Philander C. Knox to the Senate the Republican party of Pennsylvania not only honors and distinguishes itself, but it gives to the service of the country at large an experienced statesman of the highest character and uncommon breadth of view.

There has been little done locally toward the observance of Good Roads day, presumably because the people have been so busy with other things that they haven't had time to get any organization affected. A big lot of improvements have been made in and near Charleroi during the last year, but this fact doesn't offset the importance of still further improving the roads. Roads can always be found that are in need of attention. It isn't too late to get something done to further the observance of the day, May 25.

It appeared as though the probability of mine trouble the first part of April was offset by the agreement reached by the miners and operators. Yet since that time there has been almost continuous strife until now the rejection of the only contract the miners have seems probable. In the event of rejection it follows of course that there will be a general suspension of mines. Then another contract won't be easy to reach. Miners have been working steadily for months and they have been evidencing for some time a feeling of unrest, as though they would appreciate a vacation. That means that time will be taken to frame another agreement with the operators and there will have to be concessions somewhere.

"Young man," said the county councilor to the reporter of a souther paper, "you have done me irreparable harm."

"What have I done?" asked the bewildered reporter.

"I got in largely on a temperance platform, as you may recollect."

"Yes, sir."

"And you speak of me in this morning's paper as 'drinking my coffee with gusto.' It will take me more than a lifetime to get it out of the heads of my constituents that gusto isn't some kind of alcoholic beverage."—Exchange.

An official attached to the White House tells a story of a small boy whom President Wilson encountered at Staunton, Va.

The President was speaking to a crowd from the steps of a seminary for girls. The boy pushed and shoved his way through the crowd until he found himself squarely in front of the President, whereupon he shouted excitedly:

"Where is it? Where is it?"

Mr. Wilson stopped his speech and said good naturedly: "Well, my boy, I suppose I am 'it.'"

At this the youngster's face assumed a look of disgust. "Oh," he said, in a lower tone, "I thought it was a dog fight."

TANLAC BOUGHT BY HAPPY MAN TO AID FAIEND

James Rainelli of Pittsburg Tells of Remarkable Restoration to Health

"I cannot tell you how well I feel and to buy a bottle of Tanlac for a friend of mine," said James Rainelli of 25 Knox avenue., Pittsburg, Pa., to Mr. Carey the Tanlac Man at Heidenreich's Drug Store, Pittsburg.

"Tanlac has done me so much good that I want every one to know it. I will always speak a good word for Tanlac, as it not only is making me face the coming year happy and well, but I have the happiness to know that I never can be sick again, because I have Tanlac to keep me well.

I was suffering from a terrible kind of stomach trouble which made it impossible for me to eat, sleep or do anything else in life that gave me any comfort. I never went any place except to my work because I felt so bad all the time. My work was a terrible burden to me, because I was so sick all the time that I could hardly keep on my feet.

"I then tried Tanlac. To my surprise the first few doses began to clear off my stomach and drive the poisons out of my system. My nerves are like iron, my bowels are regular, my stomach is well and I go around feeling good all the time.

Tanlac is now sold in Charleroi exclusively by Pipers Drug Store, where the premier preparation can be had.

MILEAGE

That's another point where Atlantic Gasoline shows *strong*. Besides the zip and the snap that make motors reel off landscape like tape, it's got the *stretch* that looms up big on the speedometer. Phoney fuels lose out on the mileage test—they can't stand the gaff. There is *one* gasoline that, despite market conditions, maintains the uniform boiling-point that made it famous—*Atlantic*. Play safe. Get that *one* gasoline.

TWO MOTHERS TELL

How Their Sickly Children Were Made Strong and Well

"For six years our little girl suffered from a bronchial trouble, she had so appetite, could not sleep and was so nervous we had to keep her out of school. The doctors said nothing but a change of climate would help her. We were discouraged, when one day a friend asked us to try Vinol and after taking six bottles she does not look like the same child. She has a fine appetite, is lively, healthy and well and Vinol did it all." Mrs. F. E. Hufford, Iola, Kas.

Another child made strong:—

"The measles left my little girl thin and delicate and the doctor's medicine did not seem to build her up. I read about Vinol and got a bottle and her improvement was rapid, her strength returned and she is now as well as ever." Mrs. E. Linot, Pittsburg, Pa.

We ask every Charleroi mother of a frail, sickly, ailing child to try Vinol on our guarantee to return their money if it does not restore her child's normal health. Pipers Drug Store.

HERRON MAY OR MAY NOT BE VICTORIOUS

Official Count Will be Necessary to Decide Question of National Delegate From the District—Martin Goes Uninstructed

At least one of the two delegates from the Twenty-fourth congressional district will attend the Republican national convention in Chicago with an "open mind." Whether the other will also be unpledged or will be a Roosevelt man is undecided.

J. Rankin Martin of Beaver county, uninstructed was elected one of the delegates beyond peradventure of a doubt at the primary Tuesday, but it will probably take the official count to determine whether J. H. Cunningham of Beaver county, Roosevelt supporter or Joseph A. Herron of Washington county, will be the other delegate. Latest unofficial figures, with two Beaver county precincts missing, put Herron only 12 votes behind Cunningham. Herron was an unpledged candidate.
